### Access a high-quality medical network

This is a value-added service designed to further enhance the insured persons’ peace of mind in a medical situation. Our medical network has a group of multi-disciplinary medical specialists and provides the insured persons with access to a number of advanced day case medical centres, a safe and convenient alternative to hospitals. They can book day case procedure at network clinics and day case procedure centres, the network doctor will apply for prior authorisation on their behalf. The insured persons can also enjoy the convenience of cashless hospitalisation and a dedicated hotline for centralised booking.

In addition to network doctors, the plan also covers services provided by medical practitioners outside of our network, allowing insured persons to choose their preferred doctor for their personal needs.

### Cashless hospitalisation for medical network

When the insured persons are facing a health challenge, the last thing they want is the hassle of paying medical bills. Through AIA, they can enjoy the total convenience of cashless hospitalisation under our medical network. Once this service has been approved, we will settle the medical expenses incurred during their hospital stay on their behalf, allowing them to focus on the recovery without the stress of paying hospital bills and making subsequent claims. Any shortfall payment resulting from the hospital stay will be settled after their treatment. Once the final claim amount has been settled, any related benefit limits will be reduced accordingly.

Maximum Benefit (HK\$)						
Room Type Entitlement	Ward			Semi-Private		
Plan	Plan 1	Plan 2	Plan 3	Plan 4	Plan 5	Plan 6
Medical Service Provider	Network and Non-Network					
<b>80% Reimbursement up to the maximum benefit</b> (per disability) If the expenses exceed the maximum benefit under part I (Hospitalisation Benefits) and / or part II (Surgical Benefits) (i.e. "Eligible Expenses") of the core benefits, subject to the maximum benefit per disability of SMM, we will pay the actual reimbursement as follows:						
	50,000	60,000	80,000	100,000	120,000	150,000
$\text{Actual reimbursement} = \frac{(\text{Eligible Expenses} - \text{Deductible}) \times \text{Reimbursement Rate (i.e. 80\%)}}{1}$						
<b>Deductible</b> <sup>^</sup> (per disability)	1,000					

^ "Deductible" shall mean a fixed amount of eligible expenses the insured person must pay before we shall reimburse the remaining eligible expenses. For example, with HK\$1,000 deductible, for the eligible expenses of HK\$50,000 with reimbursement percentage at 80%, the insured person is firstly responsible for HK\$1,000 (i.e. the deductible amount), and secondly responsible for HK\$9,800 (i.e. 20% of remaining eligible expenses after deducting the deductible amount), while we pay the remaining HK\$39,200 (i.e. 80% of remaining eligible expenses after deducting the deductible amount).

Adjustment Factor for SMM

If the insured person is confined in a hospital room of a type that is at a higher level than the room type corresponding to the plan level chosen, the benefit payable shall be paid according to the benefits schedule, subject to the maximum benefit per disability of SMM and the adjustment by a percentage indicated in the column of "Adjustment Factor" below:

Room Type Entitlement	Received Treatment In	Adjustment Factor
Ward	Semi-Private	50%
Ward	Standard Private	25%
Ward	VIP / Deluxe / Suite	0%
Semi-Private	Standard Private	50%
Semi-Private	VIP / Deluxe / Suite	0%

The actual reimbursement will be calculated as follows:  
(Eligible Expenses x Adjustment Factor – Deductible) x Reimbursement Rate (i.e. 80%)

<b>80% Reimbursement up to the maximum benefit</b> (per disability) If the expenses exceed the maximum benefit under part I (Hospitalisation Benefits) and / or part II (Surgical Benefits) (i.e. "Eligible Expenses") of the core benefits, subject to the maximum benefit per disability of SMM, we will pay the actual reimbursement as follows:  Actual reimbursement = (Eligible Expenses – Deductible) x Reimbursement Rate (i.e. 80%)						
	35,000	42,000	56,000	70,000	84,000	105,000
Deductible^ (per disability)	1,000

The actual reimbursement will be calculated as follows:  
(Eligible Expenses x Adjustment Factor – Deductible) x Reimbursement Rate (i.e. 80%)

**Important Information**

- This brochure does not contain the full terms and conditions of the policy. It is not, and does not form part of, a contract of insurance and is designed to provide an overview of the key features of this product. The precise terms and conditions of this plan are specified in the policy contract. Please refer to the policy contract for the definitions of capitalised terms, and the exact and complete terms and conditions of cover. In case you want to read policy contract sample before making an application, you can obtain a copy from AIA.* This brochure should be read along with the illustrative document (if any) and other relevant marketing materials, which include additional information and important considerations about this product. We would like to remind you to review the relevant product materials provided to you and seek independent professional advice if necessary.
- This plan is an insurance plan without any savings element. All premiums are paid for the insurance and related costs, or will form the payment under Flexible Spending Arrangement (if applicable).
- Insured persons refer to the insured employees and their insured family members (if applicable).
- If the plan includes family protection, the benefits mentioned in this product brochure for employees apply to their dependants as well (excluding emergency cash benefit, life benefit and accident benefit).
- If the policyholder has less than 8 insured full-time employees upon the policy anniversary, health declarations of all newly-joined employees and their dependants (if optional dependant cover is provided) must be submitted to AIA in the upcoming policy year. The cover of the relevant persons will subject to AIA’s review and approval.
- This brochure is for distribution in Hong Kong only.

**Key Product Risks**

- The insured person will lose the cover when the following happens:
  - the insured person passes away.
- You may request for the termination of your policy by notifying us in written notice. Also, we will terminate your policy and all the insured persons will lose their cover when one of the following happens:
  - you do not pay the premium within 31 days of the premium due date;
  - the number of insured full-time employees falls below 3;

- The insured person may lose the cover when he or she no longer resides in Hong Kong.
- We reserve the right to terminate your policy and all the insured persons will lose their cover when the company transfers to operate out of Hong Kong.
- Cover renewal is based on the continuing availability of the plan to all existing policies.

- We underwrite the plan and you are subject to our credit risk. If we are unable to satisfy the financial obligations of the policy, the insured persons may lose their cover and you may lose the remaining premium and levy for that policy year.
- The future medical costs will be higher than they are today due to inflation. Hence, the benefit amounts and the future premium rate of this plan may be revised to reflect the inflation.
- Your current planned benefit may not be sufficient to meet the future needs of the insured persons since the future cost of living may become higher than they are today due to inflation. 6. In the event of any subsequent change to benefit amount(s) due to a change in Classification and Plan (“Plan Change”), the amount of insurance in effect as of the effective date of the Plan Change shall be based on the new benefit amount(s), except that the amount of insurance shall be based on the benefit amount(s) applicable prior to the Plan Change in the case of a covered loss arising from Sickness or Injury of the insured person which had been continually treated within 12 months before the effective date of Plan Change (“Prior Condition”).

# Information about the Insurance Authority Collecting Levy on Insurance Premiums

Collection of levy on insurance premiums from policyholder by the Insurance Authority (effective 1 January 2018)

## Background

The Insurance Authority (“IA”) has replaced the Office of the Commissioner of Insurance to regulate insurance companies since 26 June 2017. Under this new regulatory regime, with the gazette of the Insurance (Levy) Order (“the Order”) and the Insurance (Levy) Regulation (“the Regulation”), all new and in-force policies underwritten in Hong Kong are subject to levy, effective 1 January 2018.

## The statutory requirement on levy

- All in-force policies are subject to levy with policy anniversary date on or after 1 January 2018.
- Levy payable is calculated as a percentage of premiums and shall be paid by policyholders along with premiums. Levy rates and the maximum levy are prescribed by the Order as below, which shall apply throughout the policy year.

Policy Effective Date or Policy Anniversary Date	Levy Rate	Maximum Levy (HK\$)	
		General Business*	Long Term Business#
From 1 April 2021 onwards (inclusive of that date)	0.1%	5,000	100

\* Group medical policies and group life policies with medical protection or with benefits covering sickness will be subject to the maximum levy for “General Business”.  
# Pure group life policies and group life policies with Accidental Death & Disablement riders will be subject to the maximum levy for “Long Term Business”.

- Different levy rates and maximums will apply, depending on the policy effective date or anniversary date. The prescribed levy will be subject to change from time to time.
- The actual levy payable will always be subject to the final confirmation of the policy effective date and the exact premiums of the policy. The final amount will be confirmed and listed in our Levy Invoice.
- For **Flexi Choice Group Insurance Plan 2**, the levy payable to the IA will be borne by AIA.

If you have further questions on levy, please visit our website at [aia.com.hk](http://aia.com.hk) or IA’s website at [www.ia.org.hk](http://www.ia.org.hk).
